It will be held next week at the SKYCITY Auckland Convention Centre from 13th to 17th May 2018.

The largest annual Congress of psychiatrists from Australia and New Zealand will be held next week at the SKYCITY Auckland Convention Centre from 13th to 17th May 2018. International experts from all over Asia Pacific are to gather for this premier psychiatric conference.

They plan to have over 200 presentations examining a diverse range of topics including, autism spectrum disorder, suicide, veterans mental health, Indigenous mental health, medical cannabinoids, child and adolescent mental health and much more.

The conference is to be led by The Royal Australian and New Zealand College of Psychiatrists 2018 Congress, which is a membership organization that prepares medical specialists in the field of psychiatry, supports and enhances clinical practice, advocates for people affected by mental illness and advises governments on mental health care.
