

A team player and dynamic leader'

14 March 2012 | News | By BioSpectrum Bureau

"Dr Wilber Huang's native intelligence for sales and marketing is among the best I have seen. He has the drive and energy necessary to see complex projects through to completion and to guide teams and clients through the entire lifecycle process on time and within budget. He is both a team player and a dynamic leader."

Ms Christina Chen, head - administration department, Abnova

"Wilber is very knowledgeable in the antibody field. It is his knowledge that created the technological foundation for Abnova. There were times when Abnova encountered bottlenecks in technology. It was his persistence and unbiased focus that helped solve most bottlenecks and challenges."

Mr Henry Lee, former independent board director, Abnova

"With his sincere personality and good leadership, he has built a strong team internally and has also established good relationship with research organizations and hospitals around the world."

Mr Ronald Su, board director, Abnova
